

Timbuk Toys Presents

Story Playtime

Join Mr. Paul for Story Playtime at Timbuk Toys.

Enjoy storytelling, songs, magic, puppetry, juggling and more!

Kids love the routine and look forward to the appearance of Loper and Pearl, the squirrels, and their puppet friends. Mixed in with each session are messages of good manners and emotional awareness, as well as lessons about counting, spelling, letters, shapes, and colors. At the end of Story Playtime, Mr. Paul makes a balloon sculpture for each child. Everyone gets to go home with a special treat!

"We go to a lot of story times, but Mr. Paul is special!"
